Benefits
Eczema, Sensitive

Wild Rosella

Wild Rosella has a high concentration of vitamins A, C and E and assists in protein production which helps in skin relief and regeneration

Recommend Skin Type
Dry to Normal

Benefits
Removes impurity, revitalizes and firmer skin

Oatmeal & Manuka Honey

The moisturising effects of oatmeal promotes the restoration of the skin barrier, reducing itchiness. The manuka honey component contains antimicrobial benefits and also helps in regenerating eczematous skin while relieving atopic symptoms

Recommend Skin Type Dry to Normal
Benefits Eczema, Sensitive

Kakadu Plum

Kakadu plum contains one of the highest concentrations of vitamin C in the world which helps in relieving tension in the skin

Recommend Skin Type Dry to Normal
Benefits Anti-ageing, Anti wrinkles

Gotu Kola

Gotu Kola is known for its high antioxidative activity. It is beneficial for all skin types due to its anti-inflammatory and sedatory nature. It is a natural healing agent and is also beneficial for those with sensitive skin.

Recommend Skin Type
Dry and Normal
Benefits
Inflamed and Sensitive skin

Olive Green Australian Clay

Olive green clay contains minerals that regulate the level of oil secretion of the skin, restoring pore health and skin moisture. This is also aided by the mineral component of the clay to assist in exfoliation and blood circulation

Recommend Skin Type
Normal to Oily
Benefits
Deep cleansing, strengthens skin and healing of scars

Charcoal & Pink Clay

Charcoal is known for removing unnecessary oils and cleansing the skin and pores. The combination of pink clay with charcoal allows for moisturised, supple skin tone

Recommend Skin Type
Oily and Normal
Benefits
Acne and oil skin

Placenta Cream

Kalimna placenta cream is a highly concentrated skin supplement which protects, energises and hydrates the skin. It is exclusively formulated with vitamin E, collagen, placenta and aloe vera, which work in unison to prevent skin tension.

12 Hour Slow Release Moisturiser
100% Natural

Kalimna soap is 100% handmade

Undergoing a **6 week process**, every Kalimna soap is a special product that combines clean ingredients originating from the Australian nature.

Kalimna represents beauty in the native Australian tongue

All of the Kalimna Natural Soap products use natural ingredients.

Our all natural, handmade soaps have been carefully crafted to cleanse the skin of impurities without the use of harsh ingredients such as parabens and sulphates. Unlike these drying and irritating ingredients, Kalimna Skin Care uses high grade, Australian plant oils that naturally cleanse and moisturise the skin.
